What is \$BARFIGHT token?

Blow off steam in the metaverse, own your NFT character and knock some teeth out to earn crypto!

\$BARFIGHT token is set to take the metaverse market by storm. This is virtual barfights at their best. Design your patron's attire whether it be a wife beater singlet or suit, select your weapon of choice from bottles to tasers, and get swinging – winner takes all!

The BAR FIGHTS 2022 game is scheduled for release for VR in Q2 2022 and will include 3 metaverse scenes – the bar, a carpark, and a smoking area. Each will be unique in its design and interactivity.

Players will be able to complete in several modes:

-  1 v 1 (P2P)
-  10 V 10 (team)
-  1 V 10 (single player) modes
-  100 V 100 (battle royale)

Once wagering is introduced patrons will be able to compete in fixed priced entry events where the winner takes all. For example, a 10 V 10 game with \$2 entry per head would pay the winner player \$40 in credit. Players will be able to stake any amount on a 1 v 1 basis and challenge any willing participants. Smart contracts will hold the funds in escrow until the outcome of rounds and then release funds to winner's wallets.

A web shop or "weapons shop" will open and allow players to purchase specialty weapons and armor to increase certain abilities, attacks, and defenses.
